**Daniel R. Munsey**  
Fire Chief / Fire Warden

**Dave Corbin**  
Assistant Chief

**November 3<sup>rd</sup>, 2020**

To the residents and business community in Wrightwood,

As your local Fire Department, we consider it an honor and privilege to provide fire, rescue, and EMS services to the community. We strive to protect and serve with professionalism, integrity, and compassion.

On September 6<sup>th</sup>, 2020, the "Bobcat Fire" erupted in the San Gabriel Mountains north of Monrovia. This fire moved rapidly, and within days became a threat to the community of Wrightwood. San Bernardino County Fire deployed numerous resources into the area as a contingency, in the event the fire made a push toward the community. During this time, our resources, as well as resources from numerous other fire departments, were staged in town, using grocery stores, restaurants, and other businesses in order to support our operation. What we did not know at the time was that the community had come together and pitched in money to pay for our food, commodities, toiletries, and other needs.

We would like to take this opportunity to extend our gratitude and a heart-felt thank you to everyone, from the residents to the business community. This was an amazing act of community involvement and your generosity was felt deeply by all of us. We are grateful for the relationships we have built in the community and we look forward to continuing to serve you.

Again, thank you!

Dave Corbin  
Assistant Chief – North Desert Division  
San Bernardino County Fire Protection District
